The higher number of athletes you have tumbling together at any given time in the routine is scored at the higher end of the rubric. OHSCCA supports the safety and well-being of the student athletes by rewarding team skills over one individual athlete or duo throwing excessive passes as a solo or pair.

\*All the highest Tumbling Values in the CUMULATIVE portion of the bracket will be added to the overall difficulty score based on full team skills.

\*The tumbling rubric is not inclusive of all skills performed, but is to provide guidance for coaches, choreographers, and judges.

\*Max score starts at the baseline.
